

2018 “FIESTA OF FLIGHT” OPEN HOUSE MEDIA INFORMATION

The 2018 Laughlin Air Force Base Open House, “Fiesta of Flight,” is Saturday, May 12.

Media may register by email or letter. In order to be allowed on station during the Friday rehearsal show on Friday, May 11, all media registration forms must be received **NO LATER THAN THURSDAY, MAY 3, 2018.**

When sending in the media registration forms, please include a source where you have been published or a letter of intent to publish from a publisher along with a description of your publication’s subscribers/readers/viewership. This must be print, TV or an appropriate media web site and your name must be visibly attached to the photo or article. If you are unsure if you are “published” as defined by Laughlin’s PAO, send what you have and your registration will be processed and you will be informed if you are eligible for media credentials. If you have credentials from a media source, please send a copy of those credentials with your registration.

Photographers will be able to bring large camera bags into the Air Show during general admission times. It will not be necessary to have media registration for general admission. All bags will be searched upon entry.

Media Parking passes will be issued prior to the Open House along with the media credentials. The available media parking spots will be reserved for local and national television and newspaper media only.

One registration form is required per person. Please fill in the security and media registration forms prior to printing. Media personnel eligible for media credentials will be notified by email and email only. Registrants that are ineligible for media credentials will also be notified by email.

Media representatives will comply with the regulations regarding the authorized and unauthorized areas for photography listed below as well as the directions of Laughlin Air Force Base Security personnel.

AUTHORIZED AREAS:

- Media tent and photography area at “show center” (with proper credentials).
- Any area on the flight line within the main crowd areas and only where general public is allowed (static displays, vendor tents, children’s play area, etc.).
- Parking lots designated for public use. This does not include the media parking lot.

UNAUTHORIZED AREAS:

All areas listed below are unauthorized without direct consent and escort from the Public Affairs Office

- No media is allowed past the barrier that separates active flying aircraft from the public. This area is called the “Crowd line,” which extends all the way down the taxi way and down the right side of the east ramp. *This is for your safety.*
- No media is allowed in the vicinity of any aircraft outside of the crowd line.
- No media is authorized to cross the crowd line along the front of the show-line. Entry into this area constitutes a major violation of FAA regulations and is a significant safety consideration.
- No media is to position themselves on top of any hangars or elevated structures (e.g., hangars, control tower).
- Photography is prohibited in unauthorized areas.

Any violation of the above regulations regarding unauthorized areas for photography will result in immediate revocation of Press Credentials for the current and future Open Houses and removal from Laughlin Air Force Base. The Public Affairs Officer possesses the authority to review these regulations and make any necessary adjustments to better serve the media in accordance to regulation associated with the aircraft.
